Go to the reward catalogue page and either scroll down to the retailer you want or search for them by name.

Next select the denomination (value) of eco-de you want to order e.g. £10, £25, £50 then enter the quantity you require (so if you wanted £75 you would select denomination £25 and quantity 3 – take note of the ‘available’ number, this is how many eco-de of each denomination remain in stock).

Now click add to basket (please be aware that if you leave your basket inactive for more than 15 minutes any eco-de in it will automatically be removed).

If you try to order more than the quantity of eco-de available in stock you will receive an error message:
